Goffstown River Advisory Committee

The Goffstown Select Board formed the Goffstown River Advisory Committee in 2024 to advise the Select Board in all matters relating to the Piscataquog River, with a focus on the Hadley Falls Dam, Gregg Falls Dam, and Kelley's Falls Dam . The Committee may also advise the Select Board on matters relating to the management of the Piscataquog River, including, but not limited to, preservation, sustainability, resilience, recreation, economic vitality, public safety, and water quality. The Goffstown River Advisory Committee is advisory and serves at the direction of the Goffstown Select Board.

Any person with a disability who wishes to attend this public meeting and needs to be provided a reasonable accommodation in order to participate, please call the Town Hall (603-497-8990 ext. 100) at least 72 hours in advance so that arrangements can be made.
