FINANCE DEPARTMENT

MEMORANDUM

To: Goffstown Select Board

Cc: Derek Horne, Town Administrator

From: Zachary A. Hofland, Finance Director/Treasurer

Date: February 23, 2026

Re: Financial Audit for Fiscal Year Ended 12/31/2024

Purpose: To provide the Board with a copy of the FY24 Final Audit and related letters from the independent auditors.

Background: The financial audit for the year ending 12/31/2024 was completed by the independent auditing firm, Plodzik & Sanderson, P.A. The full copy of the final report is attached, along with the governance letter.

The governance letter is an addendum to the audit report which further explains the scope of the internal controls testing and the results of that testing, any significant risks that were identified, significant accounting estimates, adjustments made during the audit, as well as identifies areas of improvement that those charged with governance should consider. The auditors presented six items for improvement for the Board's consideration. Improving these areas will help reduce the likelihood of receiving formal audit findings for those items in the future.

- There were no concerns with our accounting methods or significant accounting policies.
- All assumptions used in the financial reporting were determined to be reasonable.
- The financial statement disclosures were considered to be neutral, consistent, and clear.
- There were no unusual transactions identified during the audit.
- Adjustments made during the audit were considered to be routine in nature.

In your packet, you will find a copy of the Independent Auditor's Report on the Audit of the Financial Statements.

There was one official finding identified during the audit included in the Independent Auditor's Communication of Significant Deficiency—

Segregation of Duties (**Significant Deficiency**)

As the Town's Finance Director and Treasurer, I provided a response to their formal finding which is included in the Independent Auditor's Communication of Significant Deficiency at the end of the audit report. This response was consistent with the response provided in the prior year, as the change to split positions within Finance and Administration did not take place until mid- to late-2025.

PUBLIC – DPW 2026 CONSTRUCTION SEASON HOURS

MEETING DATE: 2/23/26

REQUESTED BY: ADAM JACOBS, DIRECTOR

ISSUE:

The Director of Public Works requests approval to shift the DPW work schedule during the 2026 summer construction season (March 30th – October 9th).

BACKGROUND INFORMATION:

The DPW annually shifts the work schedule during the non-winter months from a (5) 8-hour day model to a (4) 10-hour day model. This provides longer periods of work with fewer periods of daily mobilization and demobilization, and is preferred as long as the seasonal daylight hours permit. Attached is a sample of the memo which must be signed by all affected employees.

FINANCIAL IMPACT:

None anticipated.

RECOMMENDATION:

Motion to approve the DPW 2026 construction season schedule as proposed.

ATTACHMENTS:

- Sample 10-hr schedule staff agreement

Memorandum

To: DPW Highway, Cemetery, and Fleet Maintenance employees

From: Adam Jacobs, Director
Mike Hillhouse, Assistant Director

Date: February 24th, 2026

Re: Proposed 2026 Construction Season Work Schedule

Beginning the week of March 30th, 2026 and ending October 9th, 2026, we will be working four consecutive 10-hour days per week. In order to operate within the laws set forth by the NH Department of Labor, the following guidelines will apply:

All employees listed in the divisions above must approve of this policy in writing for it to be in effect.

The workday will be from 6:30 am – 4:30 pm, Tuesday through Friday for the Crew and Supervisors. If any issues arise from the 6:30 am – 4:30 pm workday, the schedule will be changed to 7:00 am – 5:00 pm.

Two fifteen-minute breaks at the job site will be scheduled during the workday (mid-morning and mid-day). I suggest packing a lunch. ***There will be no scheduled paid or unpaid half-hour lunch break, and acceptance of this work schedule shall serve as waiver of the normal lunch period.***

Leave taken during this period will require 10 hours for a full day. As a reminder, accruals are only 8 hours each for personal days.

The weeks with the holidays of Memorial Day, Juneteenth, Independence Day, and Labor Day will be scheduled as two 11-hour workdays and one 10-hour workday. Leave time used during these weeks will count as actual hours taken per day.

Payroll is submitted Monday mornings; all timecards, applications for leave, or any other paperwork required for payroll will be completed by the end of the shift on Friday. As always, it is the responsibility of the employee to have his/her time properly noted by the end of the week. ***Payroll will be entered from the information on the timecard. Failure to have the proper information on your timecard could result in unnecessary errors in pay.***

This agreement will in no way affect the Union Contract or represent a past practice.

If the parties determine at any time that this revised schedule is not working due to failure to comply with these guidelines, we will revert to our normal 5-day schedule with a half hour unpaid lunch break, after a two-week notice.

This policy will remain posted while in effect.

Please sign in the space below if you agree to accept these guidelines.

PUBLIC – DPW MONTELONA RD CULVERT PROJECT

MEETING DATE: 2/23/26

REQUESTED BY: ADAM JACOBS – DPW DIRECTOR

ISSUE:

The Montelona Road culvert project is fully permitted and ready to advertise for bids for the construction phase.

BACKGROUND INFORMATION:

The DPW was awarded a 2022 FEMA Hazard Mitigation Grant to replace the culvert carrying Hardy Brook under Montelona Road in the vicinity of Mercier Court. Design and permitting have been completed as of this month, and the consultant engineer (Hoyle, Tanner, and Associates) has prepared the bid package for advertisement.

The project includes replacing the 64”x43” oblong metal culvert pipe with a 12-foot precast concrete box culvert, headwalls, and simulated stream bed. This increased capacity should mitigate the effects of any riverine flooding, which caused the total loss of a similar culvert upstream on East Dunbarton Road in December 2020. Additionally, the larger span and simulated stream bottom will remove the current barrier to aquatic organism passage.

The schedule is to solicit bids and award the project by mid-April for the 2026 construction season, with road closure to begin no earlier than the end of the current school year.

FINANCIAL IMPACT:

The DPW was awarded an HMPG grant from FEMA during a temporary “plus up” window of opportunity in 2022, which provided for 90% federal funding and a 10% local match (vs. 75/25). The grant award for the project was based upon an estimated design, permitting, and construction cost of \$422,788.38. The anticipated total town match would be \$42,278.84 and the federal share would be \$380,509.54. FEMA and the State of NH HSEM would need to approve award of any bids that exceed the remaining grant funds.

As of the last quarterly report to HSEM, the Town match paid to date through design and permitting is \$9,476.28. Remaining matching funds are available in the DPW road and drainage budget, plus credit for Town staff “force account” labor.

RECOMMENDATION:

Recommend approval of the Montelona Road Culvert Project construction bid documents, and authorizing the DPW Director to advertise for bids.

ADVERTISEMENT FOR BIDS

Montelona Road Culvert over Hardy Brook, Goffstown, NH

Sealed Bids for the construction of the Montelona Road Culvert over Hardy Brook, Goffstown, NH will be received by the Town of Goffstown, NH, at the **Town Hall, Select Board's Office, 16 Main Street, Goffstown, NH 03045** until **2:00 PM local time on Thursday, March 19, 2026**, at which time the Bids received will be publicly opened and read. The Project consists of replacing the existing corrugated metal culvert with a 12'-0" span by 5'-0" rise clamshell precast box culvert structure as well as partial reconstruction of Montelona Road for approximately 160'. The engineer's estimate for the work is between \$300,000 and \$350,000. The anticipated project schedule is to start construction **on July 6, 2026 and complete construction by October 30, 2026** with a maximum road closure of 12 weeks.

Bids shall be on a unit price basis, as indicated in the Bid Form. All technical questions regarding this project should be directed by email to Josif Bicja at jbicja@hoyletanner.com.

Bidding Documents may be downloaded at www.goffstownnh.gov in electronic format (.pdf only) at no cost. Bidders shall check the town website for any addendum/addenda posted during the bid period and acknowledge such addendum/addenda in the Bid Form.

An optional pre-bid conference will be held at **9:00 AM local time on Thursday, March 5, 2026** at the Goffstown Public Works Building, 404 Elm Street, Goffstown, NH 03045. Therefore, all interested bidders are encouraged to attend in order to prepare acceptable bid submissions.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents. Bid security shall be furnished in accordance with the Instructions to Bidders.

TOWN ADMINISTRATOR'S REPORT - Consent Agenda

MEETING DATE: 02/23/2026

MEMO

To: Goffstown Select Board

Cc: Derek Horne, Town Administrator

From: Danielle Basora, Assistant Town Administrator/HR Director/Deputy Treasurer

Date: February 23, 2026

Re: Oil Bid Results for 09/01/2026 – 08/30/2027

Purpose: To make a recommendation to the Board to award a 12 month oil contract for 09/01/2026 through 08/30/2027.

Background: The Town's third-party energy consultant, Competitive Energy Services, conducted an RFP process solicit bids for the Town's heating oil.

- Current contract ends 08/30/2026. Current rate is \$2.7295/gallon.
- Bids received on 02/06/2026.

12 Months - Supplier Bids		ULSHO		
		Adder	Cost Plus Price	Fixed Price
All prices in \$/Gal	Price Point	12 months	2/5/2026	12 Months
Dead River Company	NYH Barge	\$ 0.6155	\$ 3.3990	\$ 2.8330
Haffners	NYH Barge			\$ 3.0900
Irving Oil	Opis Boston	\$ 0.1734	\$ 2.8954	\$ 2.5780
Lowest Price				\$ 2.5780

Recommendation: Due to the timing of the market, I would like to request permission to lock in a 12-month contract for the best available rates following the CSE rate refresh. If the rates are more than 10% above the initial rates, I will return to the Board to discuss, prior to committing the Town to anything.

Financial Impact: The rates received through the bid process came in about \$0.15 cents lower than our current rate, which is unusual. CES recommends we lock in the contract this week to realize the potential annual savings of \$439. They do not anticipate the rates would waiver more than \$0.05 in either direction this week, while final paperwork is prepared.

GOFFSTOWN

FINANCE DEPARTMENT

Motion(s): If the Board concurs,

Motion to authorize Competitive Energy Services to accept the lowest bid for oil and to authorize the Assistant Town Administrator to sign the necessary paperwork to ensure the rates are secure for a period of 12-months with either the current supplier or the low bidder, as presented.

TITLE VI

PUBLIC OFFICERS AND EMPLOYEES

CHAPTER 91-A

ACCESS TO GOVERNMENTAL RECORDS AND MEETINGS

Section 91-A:3

91-A:3 Nonpublic Sessions. –

I. (a) Public bodies shall not meet in nonpublic session, except for one of the purposes set out in paragraph II. No session at which evidence, information, or testimony in any form is received shall be closed to the public, except as provided in paragraph II. No public body may enter nonpublic session, except pursuant to a motion properly made and seconded.

(b) Any motion to enter nonpublic session shall state on its face the specific exemption under paragraph II which is relied upon as foundation for the nonpublic session. The vote on any such motion shall be by roll call, and shall require the affirmative vote of the majority of members present.

(c) All discussions held and decisions made during nonpublic session shall be confined to the matters set out in the motion.

II. Only the following matters shall be considered or acted upon in nonpublic session:

(a) The dismissal, promotion, or compensation of any public employee or the disciplining of such employee, or the investigation of any charges against him or her, unless the employee affected (1) has a right to a meeting and (2) requests that the meeting be open, in which case the request shall be granted.

(b) The hiring of any person as a public employee.

(c) Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the public body itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant.

(d) Consideration of the acquisition, sale, or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community.

(e) Consideration or negotiation of pending claims or litigation which has been threatened in writing or filed by or against the public body or any subdivision thereof, or by or against any member thereof because of his or her membership in such public body, until the claim or litigation has been fully adjudicated or otherwise settled. Any application filed for tax abatement, pursuant to law, with any body or board shall not constitute a threatened or filed litigation against any public body for the purposes of this subparagraph.

(f) [Repealed.]

(g) Consideration of security-related issues bearing on the immediate safety of security personnel or inmates at the county or state correctional facilities by county correctional superintendents or the commissioner of the department of corrections, or their designees.

(h) Consideration of applications by the business finance authority under RSA 162-A:7-10 and 162-A:13, where consideration of an application in public session would cause harm to the applicant or would inhibit full discussion of the application.

(i) Consideration of matters relating to the preparation for and the carrying out of emergency functions, including training to carry out such functions, developed by local or state safety officials that are directly intended to thwart a deliberate act that is intended to result in widespread or severe damage to property or widespread injury or loss of life.

(j) Consideration of confidential, commercial, or financial information that is exempt from public disclosure under RSA 91-A:5, IV in an adjudicative proceeding pursuant to RSA 541 or RSA 541-A.

(k) Consideration by a school board of entering into a student or pupil tuition contract authorized by RSA 194 or RSA 195-A, which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general public or the school district that is considering a contract, including any meeting between the school boards, or committees thereof, involved in the negotiations. A contract negotiated by a school board shall be made public prior to its consideration for approval by a school district, together with minutes of all meetings held in nonpublic session, any proposals or records related to the contract, and any proposal or records involving a school district that did not become a party to the contract, shall be made public. Approval of a contract by a school district shall occur only at a meeting open to the public at which, or after which, the public has had an opportunity to participate.

(l) Consideration of legal advice provided by legal counsel, either in writing or orally, to one or more members of the public body, even where legal counsel is not present.

(m) Consideration of whether to disclose minutes of a nonpublic session due to a change in circumstances under paragraph III. However, any vote on whether to disclose minutes shall take place in public session.

III. Minutes of meetings in nonpublic session shall be kept and the record of all actions shall be promptly made available for public inspection, except as provided in this section. Minutes of such sessions shall record all actions in such a manner that the vote of each member is ascertained and recorded. Minutes and decisions reached in nonpublic session shall be publicly disclosed within 72 hours of the meeting, unless, by recorded vote of 2/3 of the members present taken in public session, it is determined that divulgence of the information likely would affect adversely the reputation of any person other than a member of the public body itself, or render the proposed action ineffective, or pertain to terrorism, more specifically, to matters relating to the preparation for and the carrying out of all emergency functions, developed by local or state safety officials that are directly intended to thwart a deliberate act that is intended to result in widespread or severe damage to property or widespread injury or loss of life. This shall include training to carry out such functions. In the event of such circumstances, information may be withheld until, in the opinion of a majority of members, the aforesaid circumstances no longer apply. For all meetings held in nonpublic session, where the minutes or decisions were determined to not be subject to full public disclosure, a list of such minutes or decisions shall be kept and this list shall be made available as soon as practicable for public disclosure. This list shall identify the public body and include the date and time of the meeting in nonpublic session, the specific exemption under paragraph II on its face which is relied upon as foundation for the nonpublic session, the date of the decision to withhold the minutes or decisions from public disclosure, and the date of any subsequent decision, if any, to make the minutes or decisions available for public disclosure. Minutes related to a discussion held in nonpublic session under subparagraph II(d) shall be made available to the public as soon as practicable after the transaction has closed or the public body

has decided not to proceed with the transaction.

IV. (a) A public body or agency may adopt procedures to review minutes of meetings held in nonpublic session and to determine by majority vote whether the circumstances that justified keeping meeting minutes from the public under RSA 91-A:3, III no longer apply. If the public body determines that those circumstances no longer apply, the minutes shall be available for release to the public pursuant to this chapter.

(b) In the absence of an adopted procedure to review and determine whether the circumstances no longer apply for meeting minutes kept from the public, the public body or agency shall review and determine by majority vote whether the circumstances that justified keeping meeting minutes from the public under RSA 91-A:3, III no longer apply. This review shall occur no more than 10 years from the last time the public body voted to prevent the minutes from being subject to public disclosure. Meeting minutes that were kept from the public prior to the effective date of this paragraph that are not reviewed by the public body or agency within 10 years of the effective date of this paragraph shall be subject to public disclosure without further action of the public body.
