

# Household Hazardous Waste

## What is it?

Leftover household products that contain corrosive, toxic, ignitable, or reactive ingredients that require special care when disposed of.

## What to Bring

Unwanted household products in sealed containers

- Oil paints, stains, thinners, strippers
- Solvents & varnishes
- Adhesives, glues, resins
- Waste fuels (kerosene, gasoline, motor oil)
- Engine degreaser, brake fluid
- Transmission fluid
- Poisons, insecticides, pesticides
- Wood preservatives
- Photo chemicals, chemistry sets
- Cleaners, spot removers
- Swimming pool chemicals
- Aerosol cans
- Mercury products

## What Not to Bring

- Unknown compressed gas cylinders
- Ammunition, fireworks, explosives
- Prescription medicines, syringes
- Infectious & biological waste
- Radioactive waste
- Asbestos (call for information)
- PCB's (Polychlorinated Biphenyls)
- Fire Extinguishers
- Latex Paint

## Drop Off Items

- Propane cylinders
- Waste oil
- Antifreeze
- Wet & Dry cell batteries
- Fluorescent light bulbs
- Lead sinkers

(Fees may apply, check website for Drop Off Fee Schedule)

## To Ensure Safety, please

- Leave materials in original labeled containers and tighten caps/lids
- Pack containers upright in sturdy boxes and pad with newspaper
- Sort and pack items separately
- NEVER smoke while handling hazardous materials
- NEVER mix chemicals
- Do not place waste in a garbage bag
- Do not let children handle hazardous materials

The Goffstown Transfer Station accepts collections of household hazardous waste year round by appointment. The cost is \$10 per cubic foot container or \$2/gal for gasoline. Proof of residency is required. Pre-registration forms are available at the Department of Public Works (603-497-3617), Town Hall, or online at [www.goffstownnh.gov/308/forms](http://www.goffstownnh.gov/308/forms)
