

Gem Bracelet

Add a little dazzle to your day!

Take this bracelet anywhere from the office to the opera with its jewel tones and sparkly luster.

Supplies:

- Eleven inches (11") of memory wire
- Approximately one hundred seventy-five (175) glass seed beads
- One (1) accent bead
- Pliers

Instructions:

1. Using pliers, bend a small loop into one end of the wire. (**Fig. 1 & 2**)
2. Thread approximately eighty-five (85) beads onto the wire (**Fig. 3**).
3. After eighty-five (85) beads, at about the middle of the wire, thread the accent bead, as in **Fig. 4**.
4. Continue stringing beads until only about one half inch (1/2") of wire remains. See **Fig. 5** for reference.
5. Using the pliers, bend another small loop into the wire to prevent beads falling off (**Fig. 6 & 7**). If beads get caught in the loop, crush them with the pliers to remove.
