

Jar Toppers

Upcycling just got a little wilder!

Transform glass jars and old toys into stylish wildlife-inspired décor.

Kit includes supplies for one jar.

Animal Jar Toppers

Supplies:

Included:

- One (1) glass jar with lid, labels removed.
- One (1) small plastic animal
- One (1) paintbrush
- Point seven ounces (.7 oz.) acrylic paint

Not Included:

- Glue (super glue recommended)

Instructions:

1. Paint the plastic animal with acrylic paint (**Fig. 1**). Avoid painting anywhere the animal will be glued to the jar, such as the bottom of legs (**Fig. 2**); glue won't stick as well to paint. Let dry.
2. Glue the animal to the center of the jar lid (**Fig. 3 and 4**). Let dry.
3. Paint the jar lid with acrylic paint (**Fig. 5**). Let dry.
4. If needed, touch up the paint on the animal and jar lid with additional coats. Let dry.
