

Teen Flamingo Snow Globe

Teen-To-Go

1

Step 1: Gather your supplies: A mini palm tree figurine, a mini flamingo figurine, a Mason jar with lid, container of gold glitter, and a container of glycerin. You will need water and hot glue gun or super glue from home.

2

Step 2: Using a hot glue gun or super glue, attached the base of the mini palm tree and mini flamingo figurine to the underneath of the lid. Allow it to dry completely

Step 3: Fill the Mason jar with water.

Step 4: Empty the contents of the glycerin container (about 6 drops) into the water followed by the container of glitter.

Step 5: Take the lid and place it onto the neck of the Mason jar. Twist tightly to secure.

5

Step 6: Turn the jar upside down and give a shake or swirl and enjoy your cute DIY flamingo snow globe!
