# Mini Yarn Hat Ornaments

## Supplies needed:

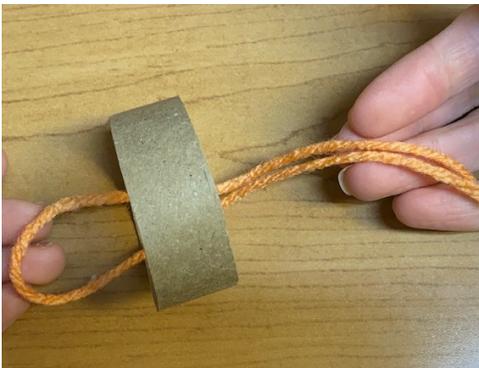

- Slim paper towel ring (1/4 inch wide)
- 40 pieces of yarn cut into strings 12 inches long
- tissue
- scissors

## Directions:

**Step 1:** Start with one string of yarn.

- Fold it in half and push the "loop" side through the paper towel ring.
- Take the "tail" ends and fold it over the paper towel ring & through the loop. Pull to get a tight knot.

**Step 2:** Repeat step 1 over and over until the paper towel ring is covered with yarn.

**Step 3:** Gather all the tail ends.

- Twist them together.
- Push them through the paper towel ring.

**Step 4:** Roll a small ball of tissue.

- Push this into the hat to help keep the shape.
- Use a remaining piece of yarn to tie a knot around the yarn tails to make a pom-pom top. This yarn will also be used to hang the hat. Tie the ends together.

**Step 5:** Trim the pom-pom top to make a nicer shape. All Done!
