

PRESS RELEASE

April 7, 2023

SUBJECT: Public Informational Meeting
GOFFSTOWN #41597
Center Street Bridge over Harry Brook – Br. #129/116

The Town of Goffstown Department of Public Works will be conducting a Public Informational Meeting relative to the replacement of the Center Street bridge over Harry Brook. This meeting will be held at the following location, date, and time:

**Goffstown Town Hall
Mildred Stark Room (Room 106)
16 Main Street, Goffstown, NH
Monday, April 24, 2023 at 6:30 PM**

The Town of Goffstown, in cooperation with the NHDOT, is developing a project for replacement of the bridge in 2026. To address the traffic volume on the road during construction, the project proposes an off-site temporary detour to allow for the replacement of the existing bridge in its current location.

The meeting will include a presentation by Public Works and their bridge design consultant on the alternatives investigated for the replacement of the bridge and provide an opportunity for local stakeholders to share comments relative to the project.

For more information, please visit the Department of Public Works webpage at <https://www.Goffstown.com>, or by calling (603) 497-3617.
